

5/28/59 - 2:20 p m

Alice called and said DCI had just made an appointment with Senator Mundt for Thursday, 4 June at 4 P M in Senator's office.

Seems Ed McCabe at White House called DCI and said Mundt wanted to talk with him about the "Freedom Activity" and DCI then talked to McCoy in Mundt's office and made appointment *himself* as per above. DCI told McCoy he would like to bring a couple of people along with him. Mundt's Freedom Commission bill is S. 1689.

Alice had just previously given me Thursday afternoon from 2:30 on for you to try to get together with Merriam at White House.

Now This.
